

3rd International Conference

On

“Management, Engineering, Sciences and Humanities”

(MESH - 2027)

Organised by

“Laescuela Education”

On

27 January - 01 February 2027

Venue:

**The Pan Pacific Hanoi, Vietnam
(Tentative)**

The Organiser cordially invites abstracts and full-length research/review papers from all over the world to participate in the **International Conference on “Management, Engineering, Sciences and Humanities” 2027 (MESH - 2027)**. Topics of interest for submission include various subthemes, but are not limited to the conference aims. The MESH-2027 conference aims to provide a forum for laying the foundations of a new principled approach to the advanced research in Management, Engineering, Sciences and Humanities subject areas. To this end, the meeting aims to attract

participants with different conference theme backgrounds, to foster cross-pollination between different research fields, and to expose and discuss innovative theory, frameworks, methodologies, tools, and applications for sustainable development. All contributions should be of high quality, original and not published elsewhere or submitted for publication. During the review period, papers will be reviewed by eminent scholars in the respective areas. All submitted papers will be published in a special issue of the journal **IJSRED (International Journal of Scientific Research and Engineering Development)**. **Some selected papers can be considered for publication in the Journal of Polymer & Composites after rigorous peer-review process within the scope of the journal. All the accepted abstracts will be published in ISBN Numbered Conference Proceeding Abstract Book.**
